Died at Elizabethtown.

Elizabethtown Mirror.

Mrs. Louise Berry died at the home of her son, Mr. Marcus Berry, near this city, Tuesday evening after a long illness of paralysis, at the age of eighty-six years. The deceased was a consistent member of the Catholic church. She was a most estimable woman and had reared a large family of children. She had made her home with her son, where she died, for many years. The remains were taken to Flaherty and after funeral services, conducted by Father Niehouse, were interred in the church cemetery yesterday. She leaves many relatives and friends in Hardin and Meade counties to mourn her departure.

A woman's face may be her fortune, but a man's check often enables him to acquire a fortune.

What a delightful old world this would be if fussy people would only lose their temper for keeps.

Of course a woman can't give her correct age when it is impossible for her to remember the day when she was born.

Every girl makes at least one mistake on her wedding day—and that is when she thinks all her girl acquaintances envy her.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp Root, and the address, Binghamton, N. Y. is on every bottle.

The marriage of Mr. L. J. Early and Miss Margaret P. Blake took place at 2:30 o'clock Thursday afternoon in the parlors of the First Christian church. Rev. R. H. Crossfield performed the ceremony. The maid of honor was Miss Isabelle Rial, of this city. The bride is well known here. She was deputy postmistress at Cannelton and is an estimable young woman.

Mr. Early is the editor of the Cannelton Telephone, and is well known in Owensboro, where he formerly lived.

Mr. Early and his bride left Thursday evening for a bridal tour through the West, where they will spend some time, after which they will make their home in Cannelton. -- Owensboro Messenger.

"My mother has suddenly been made young at 70. The Century in 1907.

The American Civil War will be treated in the century during 1907 in three short serials. Ellis Paxton Oberholtzer, Ph. D., author of "Robert Morris, Patriot and Financier," etc., will tell "How the Civil War Was Financed"; General O. O. Howard, the only surviving commander of a separate army during the Civil War, has written for The Century his personal recollections of some of the leading men of those days; and there will be an account of "Lincoln in the Telegraph Office" by an operator in the War Department telegraph office where Lincoln spent many hours daily during the anxious hours of the Civil War.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful, pink, velvet like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free, trial box, at our store, and be convinced. Large nickel capped glass jars, 25 cents. Severs Drug Co.

Woman Shoots Down Man While Holding Mob at Bay.

Bedford, Ind., October 3.—Holding a crowd of drunken rowdies at bay with a revolver, Mrs. Jennie Brown, wife of the owner of Brown's vaudeville show which exhibited at Fort Ritner last evening, defended herself with rare courage. She fired several bullets into the mob, one striking Charles Wiggins of Sparksville in the mouth, and he is believed to be fatally injured.

After the close of the performance an attempt was made to take possession of the place. Brown, the proprietor, was quickly disarmed and locked up in one of his own wagons. The rowdies then turned on Mrs. Brown. Deputy Prosecutor Plummer went to Fort Ritner to-day and caused the arrest of fifteen young men as a result of the affray.

Nervous Worn-Out

If you are in this condition, your nerve force is weak—the power is giving out, the organs of your body have "slowed up," and do their work imperfectly. This failure to do the work required, clogs the system and brings distress and disease. When the nerves are weak the heart is unable to force the life-giving blood through your veins; the stomach fails to digest food; the kidneys lack power to filter impurities from the blood, and the poisonous waste remains in the system to breed disease. Nerve energy must be restored. Dr. Miles' Nerve will do it, because it strengthens the nerves; it is a nerve medicine and tonic, that rebuilds the entire nervous system.

"Several years ago I was all broken down. I was nervous, worn-out, could not sleep, and was in constant pain. I doctored for months, and finally the doctor said he could do nothing for me. I began taking Dr. Miles' Nerve, and used altogether eight bottles, and I became strong and healthy, and now weigh 170 pounds."

Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
